## EXPERIENCE

### Cody's Original Roadhouse

The Villages, FL

*Server, 35 hours per week*

May 2023 – Present

- Catered to 150+ guests per shift by taking orders, serving meals, and ensuring a positive dining experience.
- Demonstrated in-depth knowledge of the menu, including ingredients, preparation methods, and special dietary considerations, to make informed recommendations and accommodate customer preferences.
- Generated around \$1600 in sales for the company through customer engagement and sales promotions.
- Successfully managed high-pressure situations in 5-6 table sections during peak hours demonstrating multitasking skills while maintaining a welcoming and friendly demeanor.

### Macy's

Gurnee, IL

*Sale's Associate, 40 hours per week*

Sept 2021 – Aug 2022

- Assisted 300+ customers per shift in returning, purchasing, ordering, and picking up items.
- Worked collaboratively with a team of six coworkers to achieve and exceed the company's quarterly and yearly sales goals.
- Provided exceptional customer service while ensuring a neat and organized sales floor by actively restocking and arranging merchandise.
- Successfully promoted and enrolled approximately 40 customers in my company's credit card program, resulting in increased revenue and customer loyalty.
- Managed fulfillment order process by accurately scanning and organizing customer orders, ensuring timely delivery and customer satisfaction.

## PROFESSIONAL DEVELOPMENT AND VOLUNTEERING

### Wesson Lab, Department of Pharmacology and Therapeutics, University of Florida

Gainesville, FL

*Research Assistant*

Sept 2023 – Present

- Collaborated closely on a research initiative with a graduate student to advance our project.
- Demonstrated precision utilizing a microtome to section mouse brains into approximately seventy-five 40  $\mu\text{m}$  pieces spanning from the tubular striatum through the basal lateral amygdala.
- Transferred the delicate individual sections onto a slide to provide a comprehensive image of the brain structures for microscopic view.
- Executed tasks and provided valuable insight to achieve project goals, while adhering to the principal investigator's instructions and project guidelines.

### Thrive of Lake County

Gurnee, IL

*Certified Nursing Assistant (CNA)*

Jan – Jun 2020

- Completed a CNA certification course and gained hands-on experience providing care to up to 5 residents during clinical shifts.
- Provided compassionate assistance to residents with daily living tasks, including bathing, feeding, dressing, and mobility support.
- Maintained accurate and thorough records of resident health information, including vital signs, dietary intake, and other important data.
